

## Transfer of records to school

### Policy statement

Pollington Preschool recognise that children sometimes move to another early years setting before they go on to school, although many will leave the setting to enter a nursery or reception class.

We prepare children for these transitions and involve parents and the receiving setting or school in this process. We prepare records about a child's development and learning in the Early Years Foundation Stage in our setting; in order to enable smooth transitions, we share appropriate information with the receiving setting or school at transfer.

Confidential records are shared where there have been child protection concerns according to the process required by East Riding Local Safeguarding Children Board.

The procedure guides this process and determines what information is shared with a receiving school or setting. Prior to transferring information, we will establish the lawful basis for doing so, see our Privacy Notice.

### Procedures

#### *Transfer of development records for a child moving to another early years setting or school*

- Using the *Early Years Outcomes* (DfE 2013) guidance and assessment of children's development and learning, our early years educators will prepare a summary of achievements in the seven areas of learning and development.
- The record refers to:
  - any additional language spoken by the child and his or her progress in both languages;
  - any additional needs that have been identified or addressed by the setting;

- any special needs or disability, whether an early support plan was raised in respect of special needs or disability, whether there is an Education, Health and Care Plan, and the name of the lead professional.
- The record contains a summary by the key early years educator/manager and a summary of the parent's view of the child.
- The document may be accompanied by other evidence, such as photos or drawings that the child has made.
- When a child transfers to a school, most local authorities provide an assessment summary format or a transition record, which is followed as applicable.
- If there have been any welfare or protection concerns, we identify further opportunities for discussion within the assessment record.

### *Transfer of confidential information*

- The receiving school or setting will need to have a record of any safeguarding or child protection concerns that were raised in the setting and what was done about them.
- Pollington Preschool will make a summary of the concerns to send to the receiving setting or school, along with the date of the last professional meeting or case conference. Some Local Safeguarding Children Boards will stipulate the forms to be used and provide these to use.
- Where an Early Help assessment has been raised in respect of any welfare concerns, the name and contact details of the lead professional will be shared with the receiving setting or school.
- Where there has been a s47 investigation regarding a child protection concern, the name and contact details of the child's social worker will be shared with the receiving setting or school – regardless of the outcome of the investigation.
- We post or take the information to the school or setting, ensuring it is addressed to the setting or school's designated person for child protection and marked as 'confidential'.
- We do not pass any other documentation from the child's personal file to the receiving setting or school.
